

Dear FCC,

Lifting the Cross-Ownership Ban will not serve the public in any positive manner and shall only serve to cause monopolies of media in areas. This in turn will cause less diverse news, and essentially, any news not reported by that service will not be learned by the public. Lack of information will in no way serve the public of the United States of America in any positive way, whatsoever. Thank you for your time, and I strongly hope that the Cross-Ownership Ban shall not be lifted.

Sincerely  
Fred LaPolla
